

DECEMBER NEWS from 1st, 2nd and 3rd class

By Ruth Callaghan and Sarah Porter (6th class)

Here is what 1st, 2nd and 3rd classes have gotten up to in December.

1st class have done science experiments like lava lamps and dancing raisins.

They are enjoying camogie and they love playing the violin!

They are really enjoying doing reading buddies with 4th class! 4th class are helping 1st class with their reading.

2nd class have done lovely card decorating with Caitríona Kingston. Their parents came in to help them as well!

They have made pom poms using wool and they put them on hats which they decorated.

They made lovely owls and they made "Starry Night" by Vincent Van Gough.

3rd class have had a lot of fun with Liz doing camogie. They really love it!!

They went over to the secondary school do science experiments.

In their class, they held a competition for the best acrostic poem. Everybody had excellent poems!!

They have done lovely winter art!

They have been working really hard on projects about different animals and different countries!

They decorated gorgeous

They also learned maths skip their multiplication.

Christmas cards!

counting songs to help them with

Everybody took part in the carol concert and had a fantastic time! They all sang beautifully!!!

We also had a school mass on the 8th of December. We were lucky to have Father McSweeney come to our school to say the mass.

It is great that everyone is getting in to the festive season!!!
