Subject: **MATHS GROUP** Ms. O Sullivan and Ms. Browne 5th class

Teacher: Ms. Daly

Hi Girls, I hope you and your families are all keeping well.

The suggested work below is to be carried out over a week. There is a good bit of work so don't worry if you don't get it all done! Uncompleted work could carry on to the following week if you have more time then.

It is okay to move on from an exercise if you get stuck, just try your best.
