Project Work**

Select 3 or 4 towns in each of the 6 counties of Munster and learn their names. Be able to locate them on the map.

Project for Week 8

Your project for this week is to select a town in any county in Munster. Research this town and write a report about the town. Your report should take the form of a **BROCHURE/INFORMATION BOOKLET** advertising the town.

Remember to use very positive words and phrases as you are trying to encourage and persuade people to visit the town. You can include some or all of the following points;

- Location of the town (include a map if possible) – where in the county? How to get there? Is there a train station?
- Geography of the area, local rivers, lakes, mountains, - is there a river/bridge in the town?
- History of the town – is it a Norman settlement, is there a castle nearby? Can you find old photographs of the town?
- Tourist sites – castles, parks, caves, old buildings, museums, exhibitions
- Things to do (for adults and children) – water activities, playgrounds, walks and trails, cycle tracks
- Entertainment – theatres, fairy trails, festivals, street markets or performances
- Where to stay – hotels, hostels, camp sites, B&Bs
- Places to eat – is there a wide choice of restaurants presenting a vast and varied selection of food
- Any other interesting facts about the town?

After you've done a draft and edited it, the final publication should have a clear layout, be easy to read and be eye-catching.
