**THEME 9: WE ARE CALLED TO LOVE AND SERVE THE CHURCH | LESSON 1**

## Exploring Our Diocese

### THE PARISH

Our schools and our homes are situated in a **parish**. There are churches, schools, shops, clubs and other facilities in every parish. A **parish priest** or an administrator is in charge of the parish. He organises the events in the life of the parish. He visits the families and helps them with important occasions in their lives, such as Baptisms, marriages and funerals. He usually has a team to help him in this work.

- Can you name the parish that our school is in?
- If you live in a different parish, can you name that parish?
- How many churches are in our parish? Do you know the names of those churches?
- How many priests are in our parish? Do you know their names?
- Do you know anyone else who works with the priest(s) in our parish?

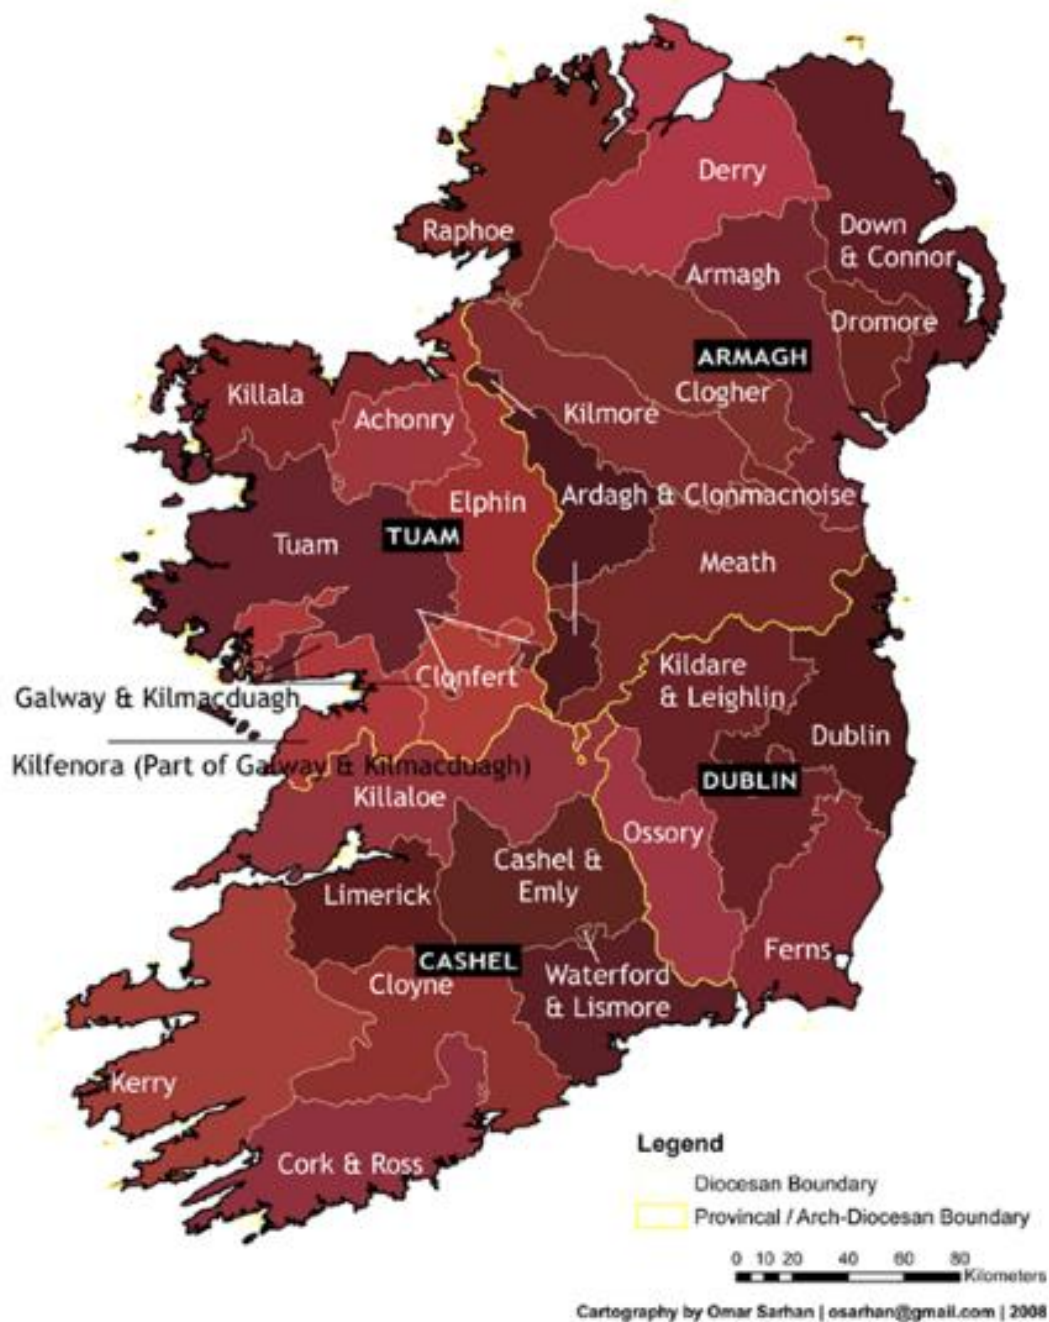

## THE DIOCESES OF IRELAND

Every parish in Ireland belongs to a particular **diocese**. Look at the map and answer these questions about the dioceses of Ireland:

- How many Catholic dioceses are there in Ireland?
- Which diocese do we live in?
- Which dioceses border our diocese?
- The dioceses of Ireland are organised into provinces. There are four Church provinces (or ecclesiastical provinces) in Ireland, just like there are four geographical provinces, but these four Church provinces are not called Ulster, Munster, Leinster and Connacht. What are they called?
- Which Church province do we live in?

As the map in your book is very difficult to read use the map below.
