

## **Week 13 (22<sup>nd</sup> June – 26th June)**

### **Letter to the girls**

Dear girls,

Well, we have reached the end of our 2<sup>nd</sup> class road together! It has been a very unusual year for us all but we worked together while staying apart. I will always remember you as a very nice bunch of girls and my nickname for you will be my 'Corona class'! I enjoyed talking with you all on the phone and knowing that you were all safe, well and happy. Thanks for sending in your work to me by email – it was nice to know ye were all busy!

I'll see you all back in school at the end of August. I can't wait to see you all in person. I'm sure some of you will be taller than me by then!

Enjoy the virtual school tours and sports this week!

Have a lovely summer.

Lots of love,

Mrs. Quill.

### **Letter to Parents**

Dear Parents/Guardians,

Here we are at the end of a very strange school year. I wish to thank you all for your co-operation in helping to keep the girls engaged with their schoolwork and for sending on some samples of their work by email. It was nice to get some feedback.

I think it would be worth taking time together with your child to look at the water safety presentation that I have attached as a link in the work. It is simple and easy to read.

Have a lovely summer and see you all at the end of August.

Thank you and kind regards,

Mrs. Quill.

## **Tour 1**

This first mini tour takes us out of Ireland...There's a first for a second class tour.

Join Ms Coughlan and me in this [Google Earth 1 Click here](#)

Stonehenge was awesome, wasn't it? Here are some art ideas. Paint your background – or use twistables. Cut out black rock shapes and build your own Stonehenge.

Or use clay or playdough. Remember you can make your own playdough. (See What a Wonderful World). Or find rocks and build.

Now let's go to other amazing places

## **Tour 2**

Off to Dublin we go to see where the President lives – in Áras an Uachtaráin.

[Join me in video President 1.](#)

Thinking Time.

.....

### **Tour 3**

Today it's off to the farm!

This video shows farms nowadays.

[Quick farm tour](#)

#### **Animal babies**

A baby cow is a calf.

A baby sheep is a lamb

A baby pig is a piglet.

A baby horse is a foal.

### **Tour 4**

#### **Farms long ago.**

[Farm Roll Call Listen here](#)

Making soda bread.

<https://youtu.be/zF5Osr5E1wU>

Here is a recipe for soda bread

#### **Ingredients**

- 350 g plain white flour (all-purpose white flour)
- 1½ teaspoons salt.
- 1 teaspoon bicarbonate of soda.
- 285ml buttermilk.

#### **Instructions**

1. Preheat your oven to 180C
2. Dust a baking tray with a little plain flour.
3. Mix all the dry ingredients together thoroughly. Tip in the buttermilk and stir to combine.
4. Keep stirring until the ingredients come together as a dough, then squidge together to form a ball.

5. Place the ball of dough on your baking tray and cut a deep cross in the centre. (This is really important as it helps the centre of the bread to cook properly – so cut nice and deep, almost to the bottom.)
6. If you wish, you can dust the loaf with a little flour, then place the bread in your preheated oven for 30 minutes.
7. Cool and serve with butter.

Milking a cow by hand.

<https://youtu.be/W6O4hTYPOIU>

Making butter long ago

<https://youtu.be/yLibpbYL1e0>

## **Tour 5**

Now it's time to go to space!!!

A space rocket went to the space station recently. Let's look at that rocket launch, as it appeared on American news.

<https://youtu.be/zpnCSpoO7n4>

Now that we are there, let's wash our hands. Here's how.

<https://youtu.be/9Z2KNDGNnlc>

Let's have a look around the space station.

<https://youtu.be/tBVUTFPate0>

Cool!

## **More Virtual School Tours**

Here is a link to some more school tours. Take a look, I'm sure you will find them interesting!

<https://padlet.com/principal1170/6zdi1wuykthkn6mx>

## **Our Sports Day**

Take a look at this link to a special site that Mrs. Kelly has put together – it has a variety of cool activities to choose from to keep our minds and bodies healthy!

<https://padlet.com/principal1170/45x9wsty7rhsosf9>

## **Water Safety**

Take a look at this presentation all about being safe in the water – in the bath, paddling pools, at the beach or near rivers.

<https://online.flowpaper.com/7efd0784/PAWS2ENGLISHWEB/#page=1>

## **My Art Attempt at the Willow Pattern on a Paper Plate**

As promised, I gave last week's art a go with my markers. Here's a photo of my creation!

If you haven't had a chance to try it yet, you could try it this week. The link for the Youtube video to help you is

[Blue Willow China Plate Art](#)

Why don't you try to send me yours using the email address
